

Bitta, by Rodolfo Dordoni

Grand Bitta is characterized by a combination of aluminum and teak legs, seats of braided polyester and comfortable cushions, with teak or stone table tops - all while using all waterproof materials. “The intention of the designer was to create dense braiding that would

still let the air through, reminiscent of the braiding of the ropes used to moor boats (hence the name Bitta, which means ‘mooring’ in Italian), which makes the pieces look lightweight but, at the same time, they look just like cozy nests in natural colors to sit back and relax in.”
